

Jim Pedersen Memorial Young Bird Auction Race Rules

1. This Auction Race is for Greater Seattle Racing Pigeon Club (GSRPC) members only. This race shall be flown as Release A (red) from Coburg, OR, Cottage Grove, OR, or Tri-City OR. The Pedersen Auction Race Committee will select a race station using the Concourse Race Schedule at the start of racing season. If the scheduled race station is changed by the Concourse because of inclement weather or conflict from designated race station, the Pedersen Auction Birds will be flown as a concourse race only and the Pedersen Auction Race will be canceled and rescheduled in accordance with Rule 1a.

1a. Reschedule Pedersen Auction Race:

A. Pedersen Auction Race Committee will reschedule the Auction Race using club trailer or if concourse schedule has a desirable station at a latter date. The committee can select a race station for Auction Race.

B. Canceled Pedersen Auction Race: If the weather or logistic of rescheduling doesn't permit a new schedule, all auction funds will be refunded as 50/50 split between buyer and breeder (50% to buyer and 50% to breeder)

1B. Pedersen Auction Race Committee members will be elected at December Club Meeting. Auction dates will be determined at the December Club Meeting.

2. Bid: Breeder is responsible for the opening minimum bid of \$25.

3. Payment: All auction payments for birds are due 7 days prior to the Auction Race shipping date.

4. Auction Bird: Birds purchased or transferred become property of the flyer.

5. Band No.: Breeder is to provide band numbers for the all the birds entered (paper bird or live bird).

6. PSF banded bird: When a PSF banded bird is entered and purchased for the Auction Race, PSF winning prize will be split 50% to breeder and 50% to buyer (flyer). If the buyer transfer this bird to another flyer's loft, the split will be 50% to breeder, 25% to buyer, and 25% to flyer. Breeder will inform PSF committee of this partnership.

7. Paper Bird: Unless agreement was reached between buyer and breeder, paper birds must be transferred to the buyer within 21 days of the time of purchase. If the buyer has not received the bird after 21 days, the buyer may register his own bird in place of non-delivered bird and this bird must be registered in the Auction Race Bird List within 30 days of purchase.

8. Bird Transfer: Buyer may transfer purchased bird to another flyer's loft at time of purchase and this transferred bird will become property of new flyer. This transfer will be recorded as "breeder/buyer/flyer" on the Auction Race Bird List and the buyer is responsible to split any winning with the flyer.

9. Pick Bird: Buyer is allowed to buy an addition bird for \$25 for every five (5) birds purchased and pick bird will be recorded on Auction Race List and paid at the night of shipping.
